

பொறிக்களம் 2026 PORIKKALAM 2026

An Arena for Engineers
திறன்களின் திடல்

ABOUT PORIKKALAM:

PORIKKALAM 2026 is the inaugural flagship Engineering, Innovation, and Entrepreneurship event of **Government College of Technology, Coimbatore**, presented by the **DCKAP Incubation Centre**. The event is scheduled to be held on 25th and 26th September 2026 (Friday & Saturday), from 9:00 AM to 6:00 PM.

It brings together students, academia, industry, startups, researchers, and innovators on a common platform to compete, collaborate, innovate, and create through technical challenges, project showcases, startup activities, workshops, and expert interactions. More than a festival, Porikkalam is an arena where ideas meet opportunity and engineering meets impact.

Where Engineers Compete. Ideas Connect. Innovation Begins.

WHY PORIKKALAM?

- **FOR STUDENTS** | *Learn. Compete. Build. Connect.*

Students get to step beyond the classroom, put their engineering skills to the test, build and showcase ideas, meet industry and startup leaders, and discover new possibilities for their careers and entrepreneurial journeys.

- **FOR THE COLLEGE** | *Showcase. Connect. Grow.*

Porikkalam gives the college a platform to showcase its students and their capabilities, foster a culture of innovation and entrepreneurship, and build meaningful connections with industry, startups, alumni and the wider engineering ecosystem.

- **FOR INDUSTRY & STARTUPS** | *Discover. Engage. Collaborate.*

Porikkalam brings industry and startups onto a platform to showcase their work, technologies and innovations to students, faculty and the GCT alumni community. It creates opportunities to build visibility, share experiences,

பொறிக்களம் 2026 PORIKKALAM 2026

engage with a young engineering audience, and connect with a wider network of professionals and innovators.

- **FOR THE ECOSYSTEM** | *Connect. Inspire. Create Impact.*

Porikkalam brings together students, academia, industry, startups and innovators to exchange ideas, create opportunities and turn engineering potential into real-world impact.

Students bring the ideas.

Academia brings the knowledge.

Industry brings the experience.

Startups bring the ambition.

Porikkalam brings them together.

WHAT HAPPENS AT PORIKKALAM?

PITCH - Present ideas and startups through **THULIRA**.

LEARN - Participate in workshops, expert sessions and hands-on experiences.

COMPETE - Take on technical and non-technical challenges.

CREATE - Build solutions through hackathons, projects and engineering challenges.

CONNECT - Meet founders, industry professionals, researchers and innovators.

FLAGSHIP EVENTS:

- **THULIRA | Student Startup Challenge:**

Where student ideas take their first step towards becoming ventures.

THULIRA is Porikkalam's flagship student entrepreneurship challenge, designed to provide aspiring student entrepreneurs with a platform to pitch ideas, showcase innovations, receive expert insights, and connect with the startup ecosystem.

From identifying a real-world problem to presenting a viable solution, THULIRA encourages students to think beyond the classroom and take their first step towards building something meaningful.

Pitch. Innovate. Build.

பொறிக்களம் 2026 PORIKKALAM 2026

Who can participate?

College students with innovative ideas, prototypes, or early-stage startup concepts.

- **TECH THIRAL | Industry & Startup Summit**

A Showcase of Technology, Innovation & Enterprise.

The Industry Startup Expo brings together startups, innovators, industry professionals, and researchers on a common platform to showcase emerging technologies, products, ideas, and entrepreneurial ventures.

It creates opportunities for students to discover innovations, interact with founders and industry experts, explore emerging technologies, and build meaningful connections with the startup and industrial ecosystem.

Discover. Connect. Explore.

Who can participate?

Startups, industry professionals, entrepreneurs, researchers, and innovators.

TECHNICAL & NON-TECH EVENTS:

TECHNICAL EVENTS:

Event	Description	Target Participants
Civil CBI	Crack engineering mysteries using observation, analysis, and civil engineering skills.	Civil Engineering & related departments
Structron	Test your structural thinking through design, analysis, and problem-solving challenges.	Civil Engineering & related departments
Deep Dive Challenge	Dive into a challenge that tests knowledge and practical thinking.	Students across all departments.
Robo Soccer	Build, control, and compete with robots on the field.	Mechanical, Production, EEE,

பொறிக்களம் 2026 PORIKKALAM 2026

		EIE, ECE & related departments
Flightcraft	Design and build innovative flying machines while putting aeromodelling skills to the test.	Mechanical, Production, Aeronautical Engg & related departments
Water Rocketry	Design, build, and launch water-powered rockets to achieve performance and precision.	Mechanical, Production, Aeronautical Engg & related departments
What If? - Reverse Engineering & Debugging	Investigate, decode, debug, and rethink systems to find the right solution.	EEE, ECE, EIE & related related departments
Robo Rally	Engineer and control your robot through an exciting race of strategy, precision, and speed.	Mechanical, Production, EEE, EIE, ECE & related departments
Code Detective	Solve coding challenges against the clock through logic, speed, and teamwork.	CSE, IT, AIML & related departments
Hackathon	Collaborate, build, and develop technology-driven solutions to real-world challenges.	CSE, IT, AIML & related departments
Paper Presentation	Transform an engineering idea into a compelling solution and pitch it to a panel.	Students across all departments.

பொறிக்களம் 2026 PORIKKALAM 2026

NON-TECHNICAL EVENTS:

Event	Description	Target Participants
SketchShift	Turn imagination into visual storytelling through creative sketching challenges.	Students across all departments.
Human Matrix	Think fast, coordinate better, and solve challenges as a team.	Students across all departments.
IPL Auction	Build your dream team through strategy, analysis, bidding, and decision-making.	Students across all departments.
CANVAS X	Communicate ideas creatively through visual design and impactful storytelling.	Students across all departments.

Note:

All PORIKKALAM events are open to students from all departments. Target participants indicate the areas of interest for which each event may be particularly relevant.

PORIKKALAM 2026 AT A GLANCE

- **Organised by:** Government College of Technology, Coimbatore
- **Presented by:** DCKAP Incubation Centre
- **Date and Time:** September 25-26, 2026 | 9 am to 6 pm
- **Theme:** Engineering, Innovation & Entrepreneurship
- **Participants:** Engineering students, startups, industry, academia, and innovators
- **Format:** Startup challenges, industry and startup summits, workshops and showcases, and technical and non-technical events.
- **Focus:** Competition | Innovation | Entrepreneurship | Industry Connect
