REGISTRATION FEES: Rs. 279/-
TEAM SIZE: MAXIMUM 2 MEMBERS
PRIZE POOL: Rs.9500/-

DESCRIPTION

ROBO SOCCER Engineer the Play. Control the Game. Turn engineering into a game of strategy, precision and control. Robo Soccer puts custom-built robots onto the field for an action-packed battle where teams compete to outmaneuver opponents and score. Combine robotics, control, teamwork and tactical thinking to take command of the game. Build your bot. Master the field. Chase the goal.

Build. Control. Score

GAME RULES & REGULATIONS

- No trial run will be allowed before the match.
- Repair timeout: 10 minutes only.
- The coordinator's decision is final and unquestionable.
- Human interference (touching the robot) during play is strictly prohibited.
- Variable voltage is not allowed — must use fixed voltage.
- Only organizer-measured time is valid; participant-measured time is not accepted.

ROBOT SPECIFICATIONS

- The dimensions of the bot must not exceed 30 cm × 30 cm. A 5% tolerance will be given.
- Both wired and wireless robots are allowed.
- The weight of the bot should not exceed 5 kg. A 5% tolerance will be given.
- The maximum voltage of the battery and any two points of the circuit should not exceed 16.8 V.
- The bot can have 2-wheel drive or 4-wheel drive.
- The robot body must not be taken from any ready-made toy. Robot-making kits can be used.
- IC engines are not permitted.
- In case of wired control, the wire length should be a minimum of 4 metres and must remain slack during the game.
- In case of wireless control, each robot must have its own transmitter and receiver.
- The robot must be mechanically and electrically safe.

ROBO SOCCER FIELD – TOP VIEW (All dimensions in cm)

FIELD DIMENSIONS SUMMARY

• Field Length	: 450 cm	• Centre to Penalty Spot	: 135 cm
• Field Width	: 150 cm	• Goal Width (inside)	: 40 cm
• Centre Circle Diameter	: 60 cm	• Goal Area Depth	: 30 cm
• Penalty Area	: 120 cm × 60 cm	• Corner Arc Radius	: 8 cm
• Goal Area	: 60 cm × 30 cm	• Penalty Spot Diameter	: 4 cm
		• Line Width	: 2 cm

LEGEND

	White Line (Width 2 cm)
	Goal (Inside Width 40 cm)
	Penalty Spot (Diameter 4 cm)
	Corner Arc (Radius 8 cm)

NOTE

- All dimensions are in centimetres (cm).
- Do not scale the drawing.
- All measurements are from outer edge to outer edge.

Claws Specification

- Maximum claw extension: Must remain within the overall 30 × 30 cm robot dimensions
- Ball holding: The claw should only guide or control the tennis ball and should not completely enclose or trap it.
- Opening: 20 cm × Maximum Depth: 7 cm

Tie-Breaker Rules

- If the match ends in a draw, a 2-minute tie-breaker will be played. The team that scores the maximum goal during the tie-breaker will be declared the winner.
- If no team scores within 2 minutes, the match will proceed to a penalty shootout.
- Each team will take 3 penalty shots alternately. The team with the highest number of goals will be declared the winner.
- If the scores remain equal, the penalty shootout will continue in sudden death until a winner is decided.
- All decisions made by the referee and organizing committee will be final.

GENERAL RULES

- Unnecessary attack on the opponent bot is not allowed — 2 warnings given before disqualification.
- If bots are in deadlock for 10 seconds, positions are reset to original.
- If a bot fails to reach the ball for 10 seconds, positions are reset.
- The ball cannot be trapped in any form.
- Coordinators hold final decision-making authority on all matters during the event.
- All robot dimensions will be checked according to the specifications mentioned in the rule book before allowing the team to participate in the game. Only robots that meet the specified dimensions will be allowed to play. Teams with robots that do not meet the required dimensions will be disqualified.

REFEREE AUTHORITY

- The Referee will have complete authority to control and manage the match.
- The Referee's decision regarding goals, restarts, fouls, penalties and other match situations will be final.
- Teams must follow all instructions given by the Referee during the match.
- Only the Team Leader is permitted to communicate with the Referee during the match.
- Any argument or inappropriate behaviour towards the Referee may result in a warning, penalty or disqualification.
