EVENT DESCRIPTION

Deep Dive Challenge is a business case-solving event where participants analyse a real-world business problem, identify key challenges and develop a practical, strategic solution

Analyse. Strategies. Solve.

GENERAL RULES

- 
- 
- Participants must report to the venue before the scheduled time.
 - Participant must bring their college ID card
 - Participants must follow the instructions of the organizers and judges.
 - Any form of misconduct or unfair practice will result in disqualification.
 - The same team members must participate throughout the event.
 - Participants must maintain professional conduct throughout the event.
 - The decision of the judging panel and organizing committee will be final and binding
- 
- 

ROUND 1– BUSINESS LOGIC & ANALYTICAL THINKING

- 
- A business-related question will be given to the participants on the spot.
 - The questions should be business-context-based, but participants should not need specialized business knowledge to answer them. The topic may include,

- 
- 
- Logical reasoning
 - Analytical thinking
 - Data interpretation
 - Problem-solving ability
 - Business decision-making

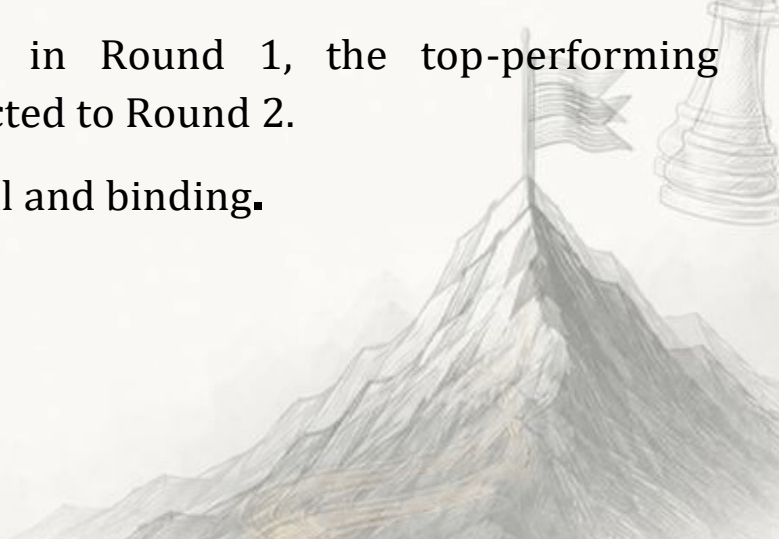

TIME LIMIT

- The time limit for Round 1 will be announced by the organizers.
- Solutions must be submitted within the given time.
- Late submissions will not be considered.

SELECTION

- 
- 
- Based on their performance in Round 1, the top-performing participants/teams will be selected to Round 2.
 - The judges' decision will be final and binding.

ROUND 2 - BUSINESS PROBLEM-SOLVING CHALLENGE

- Shortlisted participants will be given a real-world business problem statement containing multiple interconnected challenges.
 - The students has to analyze the various problems provided in the problem statement and provide solutions.
 - The solution must be presented using a PowerPoint presentation.
 - Time will be provided to prepare the PPT in the provided format.
- 
- 
- 

The PPT content shall include,

- Problem Statement
 - Problem Analysis
 - Proposed Solution
 - Implementation Plan
 - Feasibility
 - Expected Business Impact
 - Conclusion
- 
- 

PRESENTATION

- Presentation Time: 5 minutes
 - Q & A: 2 minutes
 - All team members must participate in the presentation.
 - Teams must strictly follow the allotted time
- 
-
